Ref.: International, open Tender for the consulting services for Implementation Consultant for the Green Jobs under the National Afforestation Programme.

Tenderer: Ministry of Agriculture (MoA) financed by KfW.

Project Measures:

The purpose of the Project is the generation of short-term jobs and income opportunities for Syrian refugees and vulnerable Jordanians, while supporting sustainable afforestation measures under the National Afforestation Programme (NAP). This comprises three results at the outcome level each with one or two outputs:

Outcome 1: Improving livelihoods and social cohesion of Syrian refugees and vulnerable Jordanians,

Outcome 2: Sustainable improvement and expansion of forest areas in Jordan,

Outcome 3: Institutional strengthening of the Ministry of Agriculture (MoA).

The target groups are Syrian refugees and vulnerable Jordanians in the project area.

The estimated total budget is approximately EUR 14.45 million. The project is conceived for an implementation period of 5 years, starting from April 2025.

Requested Services:

The PEA seeks a consultant in order to strengthen the project implementation capacities and to provide quality assurance in the project implementation.

It shall be the consultants responsibility to support MoA in using and managing the Disposition Fund in line with the KfW rules and regulations.

The assignment of the Consultant will be for a period of 24 months. Based on an interim evaluation of the project and of the Consultant's performance, the assignment might be extended (e.g. via direct award procedure). The assignment shall be conducted in English language. The qualification of experienced consultants is subject to the regulations contained in the latest KfW procurement Guidelines for the Procurement of Consulting Services, Works, Goods, Plant and Non-Consulting Services in Financial Cooperation with Partner Countries available at <https://www.kfw-entwicklungsbank.de/PDF/Download->
